FIRST Robotics Conference - Final Reminder

Now is your last chance to register for the third annual *FIRST* Robotics Conference. The conference will take place **April 27-29, 2006** at the Georgia World Congress Center in Atlanta in conjunction with the *FIRST* Championship.

Of special interest to FRC teams, we have many excellent technical and non-technical presentations offered by award-winning coaches, mentors, students, and teams.

The conference will provide current and prospective FRC, FVC, and FLL teams, coaches, students, and mentors with the technical and non-technical information and advice they need to be the best they can be.

Please note that conference passes may be shared among your team members. If you register for 5 passes, any 5 members of your team may attend sessions at any given time, but they will need the printed pass for admission. Printed passes will be available at the conference when upon arrival at the Georgia World Congress Center. The Conference will take place in GWCC Rooms C209 and C210.

Register yourself or a team of five (5) for one day or for all three.

	One pass	Five passes
Thursday Only	$20	$75
Friday Only	$20	$75
Saturday	FREE with Thursday and/or Friday registration	
Thurs-Sat	$35	$140

Registration closes Monday, April 24 or when slots fill, whichever comes first. We will not take any registrations after Monday, April 24.
