

2006 SBPLI Chairman's Interview Notes:

Patrick Cloke
Chris Citro
Nicole Morales

Patrick's comments afterwards:

"I thought it went well. We were thrown off by being asked questions from the start instead of being given time to talk first. The interview seemed rushed, they did not seem to be considering us (perhaps since we won last year)."

- ❖ Introductions/shake hands
- ❖ Question from the judges: "Besides mentoring how do we spread the word of FIRST and what does it mean to us?"
 - Patrick – Discussed I-CON
 - Chris – Science Fair / Lego League
 - Patrick – Safe Halloween
- ❖ Question to Nicole: "What have you gotten out of robotics?"
 - Nicole – Discussed enjoyment of being with the people. Compared it to sports.
- ❖ Question "Has robotics influenced your college/career ideas?"
 - Patrick – Yes, originally wanted C.S. changed to M.E. from robotics. Plan to go to RPI.
 - Nicole – Has thought of engineering because of it.
 - Chris – No, Poli Sci, it has influenced him though.
- ❖ Thank yous / shake hands
