

Deer Park Invitational

Field Setup – Friday

3pm-6pm or so

Directions:

LIE to Exit 51 south (Rt. 231, Deer Park Avenue).

Proceed to the railroad overpass (approx. 9 traffic lights) and turn right just before it onto Acorn Street

From Acorn Street at the very next street make a right onto N. 1st Street.

You will see the football field and the back of the school appear on the left.

For field setup and robot drop-off park in the football field lot at the back of the school.

We will be setting up in the gym

Entrance to Robotics Lab is down the ramp next to two large garage doors.

The double doors at the far end of the parking lot lead to the gym.

Competition – Saturday

8am - load-in robot and tools

9am – Opening ceremonies

5pm – field teardown

6pm - done

Directions:

LIE to Exit 51 south (Rt. 231, Deer Park Avenue)

Deer Park Ave. to a right on Nicolls Rd.

Left into the school and around to the right for the parking lot.

Park on the side of the school facing Nicolls road. The entrance to the Gym area is on off the parking lot.
